## “OCMF” FUNDS NORTHERN OUTREACH TRIPS

Your Minute-Man gifts to Project #149 (Jan. 2015) for NCEM’s Outreach & Church Ministry Fund (OCMF) have furthered the Gospel!

This Fund enables travel and ministry to communities where there is no missionary or pastor. In October it made possible a trip by Albert & Barb Heal to about half a dozen communities in the Northwest Territories.

group Bible studies/services, shared times of prayer, and meals together.

A definite highlight, Albert reports, was time he spent with a certain friend. For some time Albert had wondered if this man was a believer, but on this trip it was confirmed.

“This was a great encouragement to us,” say the Heals. “Last year when we were here he was so sick that we didn’t think we would see him again.”

In other locations Albert & Barb connected with folks who watch NCEM’s Tribal Trails TV program regularly, and provided them with a supply of DVDs to watch and to share with their families and neighbours.

So we say “thank you” for your gifts! This is just one of several outreaches made possible this past year by the OCMF Fund.

Travel, especially by air, is costly. By the Lord’s enabling, your Minute-Man gifts are being used for timely ministry. ●

## JUST PLANE USEFUL

The “OCMF” Fund made the Heals’ outreach trip in October possible (story at left), but Minute-Man donors also have a part in the aircraft itself that was used.

Not surprising, airplanes require regular maintenance and repairs. Your gifts to “MM” projects #148 & #151 have been timely. Cylinder head repairs on our float plane, and an overhaul on our Cessna 206 are being funded by your donations.

NCEM Aviation Director, Allan Giesbrecht, says our float plane is particularly useful each summer transporting families to a wilderness camp in northwestern Ontario. This winter our “206” will fly to Arctic Quebec. In summer the plane will transport volunteer carpenters and materials to repair a Mission-owned house there.

We thank God for the aviation equipment He has provided. Each year NCEM aircraft are also used for field visits by our directors, and in various partnerships with Native Evangelical Fellowship of Canada (NEFC) and other First Nations ministries.

Dan Moulton (pictured here >>) is our aviation engineer

who faithfully services our planes – lately amid care for his wife, Phyllis, who is being treated for cancer. The Moultons very much appreciate prayer support. ●

***“Last year when we were here he was so sick that we didn’t think we would see him again”***

The Heals had planned the outreach for June, but heavy smoke from forest fires postponed it. Weather was still a factor, says Albert, who piloted our Cessna aircraft. This time fog was an issue at the start, but good flying weather persisted in the following weeks and allowed them to spend time in several Slavey Dene First Nation communities, some accessible only by air.

In each community there were home visits with folks they’ve known for many years. There were also some

# MINUTE MAN • CALL

**NORTHERN CANADA EVANGELICAL MISSION inc.**

BOX 3030, PRINCE ALBERT, SASKATCHEWAN S6V 7V4  
USA OFFICE: BOX 50806, BILLINGS, MT 59105-0806

Dear Minute-Man friends ...

Ending one year and entering a new year is a normal time of reflection and looking forward. At NCEM we rejoice in what the Lord has done in and through our staff and ministries in 2015. We also rejoice in His provision for our Mission as we seek to establish strong indigenous multiplying churches. Thank you for your contributions to our Minute-Man Calls during the past year. They have been a blessing to us! ... and I hope to you, as well, as you have participated with us in the Lord's work.

We thank the Lord for the \$62,601.22 that came in for Minute-Man Call #151. This will make it possible to fulfill all the listed projects with our Bible camps, aviation department, and on our fields.

Our new Minute-Man Call (#152) is to replenish several key Funds. When I mention "funds" I like to think of what is being accomplished in the lives of "people." For example, the Outreach & Church Ministry Fund (OCMF) made it possible for my wife, Barb, and I to make a ministry trip in October (see other side). In several other parts of the North, Native churches and fellowship groups value visits and Bible teaching by our missionaries and First Nations ministry partners. The Pastoral Ministry Fund makes these possible. Here are the designated areas for this new Call:

- **Outreach & Church Ministry Fund** (OCMF) – Enables ongoing travel and ministry to communities where there is no missionary or pastor.
- **Pastoral Ministries Fund** – To help existing Native fellowship groups and churches to grow and to encourage and assist fellowship leaders with visits and resources.
- **Church Multiplication Action Plan** – To promote and facilitate our Mission's vision of "by faith to establish strong indigenous multiplying churches" with training and required travel.
- **2016 Staff Regional Conferences** – To make our annual conferences as affordable as possible for our missionaries. These are valuable times of teaching, planning, refreshment and encouragement.

(Any extra funds will be designated for Tribal Trails TV ministry and/or Public Relations.)

Reaching out together,

Albert B. Heal  
NCEM General Director

Funds given for this Minute-Man Call will be spent in accordance with the specified designation, in keeping with NCEM Executive approved programs and projects. If a designation is oversubscribed (amount is greater than needed), if it cannot proceed, or if over time it becomes inconsistent with the charitable purposes or activities of NCEM Inc., the Executive arm of NCEM Inc. reserves the right to redirect the funds to another area of need consistent with NCEM Inc.'s mandate and purposes.

See other side for ...
