## TELLING of OPPORTUNITIES to SERVE

Our June 2017 Minute-Man Call mentioned that, *“Missions is most effective when done person-to-person, face-to-face. This means we need people!”*

Your response is enabling us to spread the word about opportunities to serve with NCEM, as we travel and

personal connection with those who are checking us out.

But our website is not just for potential missionaries ... we invite everyone to view it! We’ve included many missionary stories that should prompt people to rejoice and to pray.

Prayer is our underlying resource.

We believe there are many younger people out there who God wants to use to build His Kingdom among First Nations.

Prayer can motivate them to move out to serve Him.

Your gifts to “Recruiting” also help our missionaries get to Missionfests, local churches and schools to tell about what the Lord is doing on our fields, and to present opportunities.

We recently welcomed John & Lois Hopcraft as associate members. They will be visiting churches and schools in Manitoba. If you or your group would like a visit, please contact us. ●

personally connect with those God may be calling into full-time work among First Peoples.

Our print publications and our website ([www.ncem.ca](http://www.ncem.ca)) also have an important role in this. Available funds made it possible for us to contract a professional web developer to build an attractive website that displays well on all kinds of computers, tablets, and smartphones.

We’ve designed our site so that many of the questions a potential missionary would ask are answered. Of course we look forward to a more

## WHEN OUR MISSION FAMILY GETS TOGETHER

Thanks to your gifts to Call #155 (February 2017) our missionaries were able to join together at a general staff conference in Pinawa, Manitoba, in late August.

Because of distance, our entire Mission family only gets together about once every three years. As you can imagine, the cost of travel, lodging and food is a big factor for many missionary families.

We believe that Conference is important, so we appreciate you helping to make it possible!

Tim Gradin (r) and Pine Ridge Bible Camp summer worker, Heaven Smith, share a song.

Tribal Trails host, Conrad Flett, reports about his TV and Native church ministries.

Attending conference contributes to our unity, and helps keep us on task. Bible messages, workshops, fellowship and praying together encourages us to keep on keeping on.

We return to our various locations across Canada privileged to be part of Christ’s Great Commission to take the Gospel to all nations. ●

Dear Minute-Man Friends ...

Our last Minute-Man Call (#156) was designated for three areas: ● Field Ministries ... enabling our Mission directors to travel to our northern stations and to other Aboriginal communities, strengthening ministry partnerships; ● Member Care ... the ongoing support, encouragement and training of our missionaries (our greatest resource!); ● Recruitment ... assisting with the costs of communicating with potential missionaries about opportunities to serve (see *Minute-Man News* on other side).

The total amount received was \$54,481.53. We appreciate every contribution!

This new Minute-Man Call (#157) is for the following:

- **Bible Camp** provides many opportunities for sharing the Gospel of our Lord Jesus Christ. It consumes much time and energy for a number of our missionaries, and by the end of the summer they feel well used! ... and our Camp facilities do, too. Part of this Minute-Man Call will be distributed among our Bible Camps to help replace worn out equipment and buildings.
- **4x4 Truck**. Winter is coming, providing opportunity for outreach to northern villages that are accessible only by air or ice roads. Our 3/4-ton 4-wheel-drive truck based at Headquarters was needing many expensive repairs, and was no longer reliable on these isolated roads. It is being replaced with a newer 4x4 crew cab, with more space for passengers. A portion of this Minute-Man will help pay for this vital ministry tool.

Thank you to all our faithful Minute-Men who give so faithfully to the many ministries of NCEM!

Walter Selke  
NCEM General Director
