Dear Minute-Man Friends ...

Thank you so much for your donations to Call #172, helping to provide infrastructure and facilities that make year-round ministry possible at our NCEM Bible camps and ministry centres. We are happy to report that \$86,592.03 has been raised to help with these projects!

---

"I want our focus to be outreach!" ... "Let's pray, asking God to open doors to reach the lost!" ... "Let's keep our focus on reaching the lost with the salvation message!"

This was the message I preached at each of our missionary staff conference gatherings last fall.

Across our Mission, we have had more outreach trips planned this fall and winter than we have had in a while. I praise God that the NCEM **Outreach & Church Ministry Fund** is being used and, therefore, needs to be filled up again!

Also, I am so glad that next fall we will meet all together as a Mission family -- the first time in several years (this past fall's conferences were regional gatherings). Thank you for helping to bring our Mission family together for mutual encouragement and training.

This Minute-Man Call (#173) is for NCEM's **Outreach & Church Ministry Fund (OCMF)**, and to help with our missionary staff **conference** costs.

## FROM IDEA TO REALITY

Bible Camp is a place where the work never ends. There is always room for improvement, for dreams to take on reality. Thank you for your gifts to Call #172, helping make that happen!

Along with fixing aging cabins, Pine Ridge Bible Camp in northwestern Saskatchewan is looking to build a new one. This will open up room for more campers each week.

While this cabin project is starting, plans for the Camp's First Aid station are complete (inset shows floor/cabinet plan).

This will be very helpful to our Camp nurses, providing easy ac-

cess to first response equipment and care to campers who need more than just a quick Band-Aid.●

Arrowhead Native Bible Center in New Brunswick continues progress on a beautiful year-round trail. It is an innovative way to bring campers and their families to our property outside of the typical summer camp season.

With Scripture verses posted along the trail, it gives thought to the God who created all the beauty that one can enjoy during a calming or energetic trek.

There is anticipation that this project may be completed soon and will be used in all four seasons for various activities.●
