NCEM Minute-Man call

Supplying Timely Ministry Needs

October 2026

Dear Minute-Man Friends ...

Thank you for giving generously to Call #183. Your gifts which totaled $52,950.33 went toward Recruitment, Training & Internship Assistance. Donations enabled our public relation coordinators, Walter & Cindy Selke, to travel to churches and Bible schools, sharing what God is doing, and looking for others to come and join us. Your gifts also helped our Candidate Training & Orientation in the spring. In spite of icy roads and deep snow, God brought us together for very beneficial days of learning. Your giving has also assisted interns who helped at Headquarters and at Bible camp. One of our interns just returned home to Germany after the summer, and another has just begun her internship at Bible camp.

This Minute-Man Call (#184) will go towards our Bible Camps. In the past God has provided through Minute-Man for our camps in five locations. Now we are preparing for next summer, when we again trust that campers will listen to and understand the Gospel, repent, and believe. Bible camp is also a time for teens to be discipled through "LIT" programs (Leader In Training). Each year we see them grow in their walk with Christ.

My wife, Evelyn, and I enjoyed visiting Arrowhead Native Bible Center. We were so pleased to see the emphasis on solid Bible learning, and the "teaching Bibles" that each camper receives. At ANBC the old oil tank and furnace will be replaced by a new propane furnace and heat pump units. A new generator will provide emergency power. There is also a "bunkie" (off grid cabin) to be built.

It was also inspiring to visit Big River Bible Camp in August, and watch God use a 17 year-old CEF worker masterfully share God's Word as the main speaker for that week! God can use all ages! From there we went to Pine Ridge Bible Camp where, with the campers, we took in an elaborate presentation by our associate missionary, Rhonda Peters, and her friend. Using many props, they presented the "red thread" ... the blood of the Lamb, from Cain & Abel all the way through to the cross of Christ. Rhonda's friend's husband spent the week working on the Camp's boats, vehicles, and other equipment.

Thank you so much for being a Minute-Man with us!

"I'm still basking in happiness with my thoughts thinking about the blessed conversations I had there"

We will stand as children of the promise,
We will fix our eyes on Him,
our soul's reward.
Till the race is finished
and the work is done,
We'll walk by faith and not by sight.

By faith, this mountain shall be moved
And the power of the gospel shall prevail,
For we know in Christ
all things are possible
For all who call upon His name.

80 YEARS, AND BEYOND

Celebrating 80 years of God's faithfulness

Highlights as mentioned by NCEM missionaries

80th Anniversary conference of NCEM, what an absolute privilege to be attending such a milestone event.

"It was a huge blessing seeing other missionaries I haven't seen for years, in cases, for over 30 years! I'm grateful for the opportunity to hear reports of God's faithfulness in the lives of those who put the hand to the plow and have not given up. Many who reside in lonely, hard areas and see no fruit for their years of service but are trusting in His faithfulness to accomplish the impossible. Being able to rejoice and grieve with them, and pray more focused because of the reports."

"It was beautiful to watching a presentation of historical photos of those who went before us. The saints of the past 80 years, realizing the gospel flame burned so hot within they were compelled to endure such hardships for lost souls."

"There is something so encouraging about sharing around meals, hearing of the disappointments and the joys of life in service. I always look forward to the opportunity to worship together in song, listening to magnificent blending of instruments and voices all praising His faithfulness."

"Watching more than 30 missionary kids under the age of 17 race around. So glad for those who volunteered in spending time teaching this upcomign generation. What a blessing to see the next generations growing up loving the Lord."

"It was sad yet beautiful to remember those who have gone ahead to meet the Lord, and nostalgia as I see the effects of aging on our once healthy, energetic members. [Some of us] are people with bodies that are failing but spirits that still would love to get out to the villages and serve all over again!"
